Career Objective

A dedicated Computer Science student with hands-on experience in programming, web development, and AI-powered tools. Known for building interactive, real-world applications that solve practical problems. Thrives in collaborative environments, brings fresh ideas to the table, and stays eager to learn and adapt. Focused on creating meaningful, impactful solutions while continuing to grow in the ever-evolving tech industry.

Education

2022 – Present	**Bachelor of Engineering (B.E.) in Computer Science**
	K.S.R. College of Engineering, Tiruchengode
	CGPA: 8.39 (up to 5th semester)
2021 – 2022	**Higher Secondary Certificate (HSC)**
	Swamy Vivekanandar Matric Hr. Sec School, Kanchamalayur
	Percentage: 82.2%
2019 – 2020	**Secondary School Leaving Certificate(SSLC)**
	Swamy Vivekanandar Matric Hr. Sec School, Kanchamalayur
	Percentage: 80.2%

Technical Skills

Front-End Technologies	:	HTML, CSS, JavaScript, React.js, Bootstrap
Back-End Technologies	:	Node.js, Express.js
Databases	:	MongoDB
Version Control	:	Git, GitHub
Programming Languages	:	Java, Python

Projects

E-Commerce Website for Sarees
[Project Link](#)

Description : Developed a fully functional online saree store with a clean and intuitive user interface for enhanced shopping experience.

Key Features :
- User authentication & wish list , Discount coupon system
- Responsive design for mobile and desktop

Technologies Used : HTML, CSS, JavaScript, Bootstrap, Local Storage

Task Manager & Notes Calendar
[Project Link](#)

Description : Developed a productivity-focused web application that enables users to manage daily tasks with due dates and priorities, alongside an editable notes calendar.

Key Features :
- Create tasks with due dates, priority levels, and track progress.
- View, edit, and delete tasks using an interactive calendar.

Technologies Used : React.js, JavaScript, HTML5, CSS3, Bootstrap, Local Storage, React DatePicker, React Big Calendar

Professional Experience

Java Intern- *Rejola IT Services, Chenna*i | July 2024

- Learned Core Java through hands-on training and real-time projects, building a strong understanding of key concepts like OOPs, exception handling, and collections.
- Worked closely on development tasks, writing clean and efficient code while improving problem-solving and debugging skills.
- The experience played a key role in boosting technical confidence and laying a solid foundation for a career in software development.

Certifications

EduSkills TECH CAMP on Zscaler Zero Trust Cloud Security

K.S.R College of Engineering | Feb 3 - Feb 5, 2025
- Successfully completed hands-on training on Zero Trust Cloud Security concepts, including network security, access control, and cloud-based security solutions.

Naukri Campus Young Turks

Naukri Campus | October 2024
- Successfully participated in **India's largest skill contest**, organized by Naukri Campus in association with top industry leaders.
- Gained exposure to **industry-relevant challenges** and problem-solving tasks.

NPTEL Swayam
- Completed a Cloud Computing program , Introduction to Internet of Things program and Introduction to 4.0 and Industrial Internet of Things program.

Workshop
- Attended a workshop about "BLOCKCHAIN" by Bharat Blockchain Yatra at KCT, Coimbatore.
